THE FREEDOM TO DO JUST BE.

The truly special element of the Concorde class is you: extraordinary individuals who share a passion for motorhome travel.

Your Concorde takes you to the most exclusive destinations. A space that liberates you for everything that makes life truly valuable – and for a community that shares this exact vision.

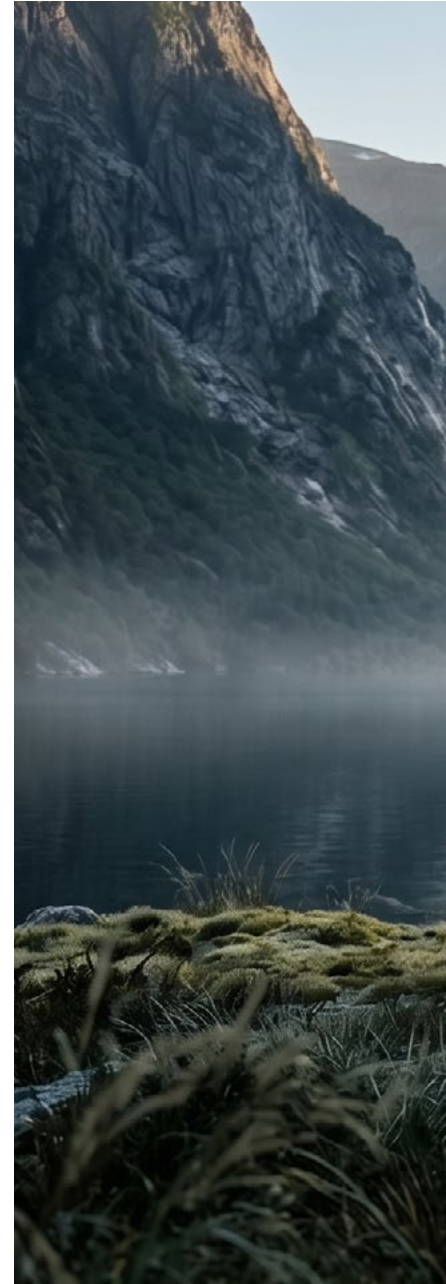

True independence begins when you never have to compromise, anywhere in the world. The benchmark for your mobile lifestyle.

Welcome to the Concorde class.

YOUR CREDO: ABSOLUTE FREEDOM!

Independence accepts no compromises.
Welcome to the Concorde class!

The Credo is far more than just your entry into the Concorde class. It is a definitive statement for a sophisticated lifestyle on wheels.
Ready to discover the world on your very own terms.

AI GENERATED

Impressive from the very first glance.

All details, pricing &
technical specs:

Unmistakable design. Clear contours. Boundless in its premium appeal.
The Credo makes a powerful statement on any terrain.

YOUR TWO-WHEELER, ALWAYS WITH YOU

Uncompromising space for your
equipment. Accessible from both
sides for maximum convenience.

AS SPACIOUS AS AN APARTMENT

The double floor creates an
enormous storage capacity.

MAXIMUM VISIBILITY

Coach-style rearview mirrors
for a safe and completely
relaxed journey.

Uncompromising freedom from above.

Reduced exterior dimensions. Full spatial effect. The Credo is our most compact model, but the interior tells an entirely different story. Time to start your first chapter!

BOLD IN VISION. COMPACT IN DESIGN.

The Credo distills our exacting standards for space, design, and ergonomics into an agile format. Premium in both materials and craftsmanship. Wherever you go.

SHAPES YOUR FREEDOM – THE CARVER.

The most beautiful route is the one you choose spontaneously. The Carver gives you the supreme confidence of being in the perfect home, anywhere and at any time.

Your freedom becomes limitless. Outstanding self-sufficiency, dining by the water, waking up by the fjord. For those who know that true discovery does not mean sacrificing quality and comfort.

**BRILLIANCE
YOU CAN
FEEL.**

Precision you can feel. Fine materials and tactile elegance create an interior that embodies a true sense of arrival. An exclusive retreat that noticeably elevates the travel experience.

MULTIPLE FACETS. PURE CHARISMA.

Because you have a gift for leaving a lasting impression wherever you go. And our classic model brings this exact presence to the road.

Inside and out, a meticulously designed structure impresses with proven automotive engineering. Intelligent spatial concepts offer you functional freedom and first-class living comfort on every route.

AI GENERATED

Great ideas are defined by how noticeably they simplify everyday life.

The unmistakable exterior design of the Charisma sets benchmarks that are seamlessly carried through to the interior: Sophisticated on-board technology & meticulously planned use of space for all your travels.

INTELLIGENT STORAGE.

Effectively creates space for cabinets, drawers, shelving, and the garage.

SMART ENTRANCE DOOR.

The optional glass door closes silently with an automatic closing aid. Unlocking is effortless, using a modern fingerprint sensor or remote control.

CUSTOMIZED WARMTH.

Three separately controllable heating zones ensure your personal climate of well-being.

Five variants for your highly personal vision of space.

Each variant offers the ideal balance of generous living comfort and intelligent structure – designed for your individual requirements.

Living area, kitchen, bathroom, bedroom. Each zone follows a clear, intelligent layout. The feeling of simply taking your very own luxury hotel with you everywhere.

THE CRUISER. NO BOUNDARIES.

There are places where you simply want to stay forever.
With the Cruiser, you can now take that exact feeling
with you.

Purist design, premium craftsmanship, and absolute supremacy.
Seamlessly intertwined – for journeys that set your very own benchmarks
from the very first mile.

AI GENERATED

The Cruiser embodies the alcove tradition at Concorde.

A seamless blend of mobility, space, and performance. Proven technology and premium amenities are the result of decades of expertise in motorhome manufacturing.

WATER SUPPLY & PRESSURE

A robust plumbing system provides water pressure and supply just like at home.

DOUBLE FLOOR

The heated double floor offers generous storage space. Featuring storage compartment doors that open 180°.

CABIN PARTITION

Specially insulated and separately heatable. Absolutely winter-proof.

Every layout offers a distinct sense of space, perfectly tailored to your demands for modern travel comfort.

The powerhouse. The Cruiser Atego.

Four exceptionally comfortable beds and an intelligent storage concept provide abundant space for both passengers and equipment.

INTEGRATED AWNING

Blends visually and aerodynamically into the vehicle body.

HOTEL-STYLE LIVING

Lounge chairs, available as an additional variant with a soothing relax function.

LUXURY CLASS ALCOVE

Despite the elevated seating position and substantial size – enormous space and optimal all-round visibility.

Focus entirely on the essentials:
Spatial concepts for
extended stays.

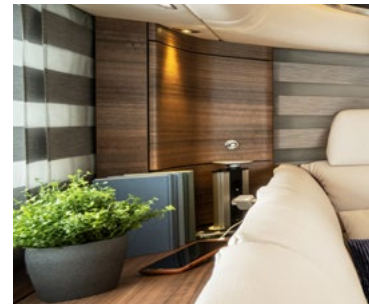

890 RLA

950 LSA

JUST LIKE HOME.

In both models, the kitchen impresses with a sophisticated storage system and optimal, model-specific equipment. Features include a single-lever mixer tap, a seamlessly integrated sink, refrigerator, oven, and microwave.

THE LINER. A CLASS APART

When optimal use of space meets timeless design, a new class of travel is born.

Pure power coupled with elegance. An experience of space and freedom that rewrites the rules of travel.

AI GENERATED

True greatness lies in the details.

Discover the defining highlights working behind the scenes. It is precisely these details that elevate a vehicle into a true Liner.

HOT WATER & HEATING

Four independently controllable zones. From the driver's cabin to the bathroom.

LIGHT SHAPES SPACE

Indirect, dimmable accents—from the canopy down to the baseboard—give the interior tangible depth.

VIGILANCE AS STANDARD

The assistance systems discreetly secure your journey. Ensuring you feel only one thing on the road: the absolute certainty of arriving safely.

Space is not a matter of size. It is a matter of architecture.

Every layout is a statement. Discover mobile suites designed down to the finest detail for uncompromising spaciousness and your individual lifestyle.

SPACE WITHOUT LIMITS.

Every space a statement, every detail pure perfection. Your exclusive retreat, wherever the road takes you today.

INNOVATION. PRESENCE. CENTURION.

No nostalgia, no mainstream.
The new Concorde Centurion deliberately breaks with
convention.

An entirely new, striking architecture and a commanding presence define
the new Centurion. Inside, too, the Centurion resolutely leaves familiar
paths behind.

AI GENERATED

A statement and the result of years of development.

Seamless integration and distinct lines.

SIDE PANELS & LIFT-UP

The new Lift-Up system makes accessing the garage simple and elegant. Optimal lines are maintained through flush-integrated side panel doors.

NEW DESIGN

Consistent lines for a commanding presence. The purist design language underscores the modern luxury class of the exterior.

LIGHTING CONCEPT

The smart lighting design guarantees optimal visibility and gives the front an unmistakable character.

Inside, this
generational shift
continues seamlessly.

1100 GI

THE CONCORDE CLASS.

Space for clarity. The interior design prioritizes structure over distraction. Clean-lined cabinetry, dark wood finishes, and deliberate lighting give every area a distinct, characterful presence.

LAND YACHT. CENTURION.

True greatness reveals itself through supreme composure. The Centurion translates the uncompromising elegance and self-sufficiency of modern yachts into the Concorde motorhome.

Premium materials and precise craftsmanship from Aschbach form the foundation of this concept. An engineering approach that impresses with its functionality and clear focus on every single mile.

AI GENERATED

Supremacy in every detail. Pioneering technologies for a tangibly superior sense of space.

Precise system architecture in practice. An overview of selected technological highlights.

CONCORDE LIFTUP

Vertically opening rear garage, powered by precise hydraulics.

SLIDE-OUT-SYSTEM

On the driver's side. The workspace and lounge give structure to the interior.

ALUMINUM FRAME / DOUBLE FLOOR

Furniture and wall panels remain permanently and solidly connected.

Defined architecture. Your unique masterpiece.

The floor plan sets the framework. Selected materials and details shape your bespoke creation.

1200 GSI

1205 GSI

THE HOME OF LAND YACHTING.

The interior follows a clean, simple design. Precisely crafted furniture and high-quality leather finishes define the living space. Ergonomics and design blend seamlessly.
